Premier Cru Global anti-ageing skincare

This exceptional treatment combines the best active, anti-ageing ingredients to reduce the 8 signs of ageing: deep wrinkles, fine lines, dark spots, radiance, firmness, elasticity, volume, and hydration. Paired with a ritual of 8 active and deep movements, the skin looks visibly more youthful.

Resveratrol—Lift Anti-wrinkle, sculpting

Lifting anti-ageing treatment for the face and neck combined with our Patented Vine Resveratrol, and Caudalift muscle stimulation technology for immediate results. The face looks re-sculpted and features plumped up.

Vinergetic C+ Anti-fatigue, replumping

This facial is an energy-boosting cocktail combining Vitamin C+, Hyaluronic Acid and grapeseed Polyphenols for a powerful anti-fatigue action. The use of jade rollers prepares the skin for the benefits of a detox mask. The complexion is brighter and the skin's texture refined.

Vinoperfect Radiance, anti-dark spots

This facial uses our award winning Vinoperfect range to deliver exceptional results on the skin's complexion, correcting dark spots, pigmentation and uneven skin tone. Concentrated Viniferine combined with a sculpting massage using warm and cold basalt stones, stimulates the complexion's radiance. The skin looks bright again, the complexion is fresh and features are rested.

Vinosource—Hydra Hydrating, soothing

This repairing treatment is like a hydrating drink for the skin, that provides the utmost comfort for sensitive skin. A very gentle soothing massage with fresh grapes is followed by essential oils to nourish the epidermis deep-down. The skin is revived, soft, soothed and plumped up.

Vinopure Purifying, anti-blemish

Specifically designed for combination to oily skin, this treatment begins with cleansing, followed by a purifying massage to free the skin of imperfections, tighten pores and refine the skin's texture. The application of Vinopure products, with their powerful complex of grape Polyphenols, purifying organic essential oils and natural salicylic acid, brings clarity and freshness to the complexion.
